Imagine a long, private driveway leading you to the top of a secluded hillside your future dream home site. Envision a stunning two-story log home nestled high above, offering breathtaking panoramic views of the countryside below. Hidden from the blacktop road below, passersby will marvel at the striking rock formations, several natural springs flowing through the property, and even a hidden cave an untouched piece of Oklahoma's natural beauty. This incredible 31.82(m/l) acres offers endless possibilities. On one side of the entryway, there's a perfect spot to build cozy rental cabins or an additional family home. A gentle hillside leads to the lower portion of the land, where a crystal-clear creek winds along the property line. With deep, natural pools and a little vision, you could create the ultimate private swimming hole. Towering trees and lush plant life surround you, making this a truly peaceful retreat. And the location? Unbeatable. Just a mile away, Riverside Resort offers cabin rentals and access to water toy rentals, including kayaks, canoes, and rafts. The renowned Illinois River one of Oklahoma's most scenic waterways flows through the Cookson Hills, providing over 60 miles of sparkling beauty, steep rocky bluffs, and endless outdoor adventure. From this property, a scenic 15-mile stretch is dotted with riverfront resorts and campgrounds, creating the perfect gateway for outdoor enthusiasts. If you're seeking adventure or relaxation,
